Dear Ben,

### Request for Trading Halt

Sunset Energy Limited (ASX Code:SEY) requests an immediate trading halt over the Company securities. The trading halt is requested until the opening of Wednesday trading (30 April 2008), unless otherwise advised by an announcement made to the market regarding production testing results of the Wellington Maricopa Well. A potential oil discovery on this well was announced to the market on 26 March 2008.

The directors are not aware of any reasons why a trading halt should not be granted.

Yours faithfully,

Cecilia Chiu  
Company Secretary
